9. Additional Corporate & HR Policies (Standard Provisions)

To align with global HR best practices, the following standard corporate guidelines are also observed at Nexora Systems:

9.1 Diversity, Equity, and Inclusion (DEI)

Nexora Systems is an equal opportunity employer. We are committed to fostering a diverse and inclusive environment where all employees feel valued and respected, regardless of their gender, race, ethnicity, sexual orientation, disability, or socioeconomic background. All hiring, promotions, and compensation decisions are based purely on merit and business needs.

9.2 IT, Cyber Security & Social Media Usage

Employees must use company-provided IT assets strictly for business purposes. Connecting unauthorized external devices (like personal USB drives) to company laptops is prohibited. Additionally, employees must refrain from sharing confidential project details, client names, or internal grievances on public social media platforms without explicit authorization from the Corporate Communications team.

9.3 Moonlighting & Conflict of Interest

During the tenure of employment, employees are expected to devote their full professional time to Nexora Systems. Taking up secondary employment, freelance gigs, or advisory roles (moonlighting) that directly compete with our services or affect job performance is strictly prohibited and requires prior written clearance from HR and Management.

9.4 Workplace Health, Safety, and Wellness

We prioritize employee well-being. The company provides access to an Employee Assistance Program (EAP) offering confidential counseling for mental health and personal challenges. Employees working from the office must adhere to all safety and emergency evacuation protocols. A strict zero-tolerance policy applies to the consumption of alcohol or illegal substances on company premises or during working hours.
